History Lovers' just love beautiful historic Norfolk Island

Norfolk has a unique beauty of its own, with its renowned tall majestic pines, sheer cliff faces, coral reefs and beautiful beaches. Almost one third of the island is devoted to National Parks and Reserves.

But Norfolk Island is far more than a picturesque island in the South Pacific, it is paradise with a past. What was once a convicts' nightmare is now the tranquil home of the descendants from the Mutiny on the Bounty, who have their own unique culture and their own language.

There is much to see and do on Norfolk Island: fascinating historic tours, outdoor re-enactments of the Bounty Mutiny (with parts played by actual descendants of Fletcher Christian), 'Light and Sound' shows, snorkeling, fishing, dining out in the numerous fine restaurants, bush walking, scenic horse riding, golf and much more!
