Painting Holiday on Norfolk Island *with Belinda Biggs*

11 – 18 October 2010

THE ISLAND

Norfolk has a unique beauty of its own, with its renowned tall majestic pines, sheer cliff faces, coral reefs and beautiful beaches. Almost one third of the island is devoted to National Parks and Reserves.

But Norfolk Island is far more than a picturesque island in the South Pacific, it is paradise with a past. What was once a convicts' nightmare is now the tranquil home of the descendants from the Mutiny on the Bounty, who have their own unique culture and their own language.

There is much to see and do on Norfolk Island:

- Dining out in the numerous restaurants
- Scenic horse riding
- Re-enactment of the Bounty Mutiny (with parts played by actual descendants)
- Scuba diving, swimming, & snorkeling
- 'Light and Sound' Show
- Fishing
- Fascinating Historic tours and Eco-tours
- Bush-walking
- Glass bottom boat coral reef trips
- Bowls, golf, tennis, squash, clay target, pistol shooting, plus much more...

Take advantage of Norfolk's bargain shopping or perhaps simply take some time out to relax and enjoy Norfolk's peaceful existence.
